Non-slip mat

AGOFORM non-slip mats offer high convenience and added value for pull-outs and swing-out shelves. The slip-resistant surfaces safeguard objects from sliding about on opening and closing the drawers or when accessing the swivel shelves. The material use is high-grade thermoplastic elastomers which meets the special quality standards of the kitchen industry (temperature-resistant up to 45°C and food-safe) and moreover allows problem-free disposal.

The highest product standards

AGOFORM non-slip mats are characterised by extremely good slip-resistant and noise absorbing qualities. Our product series are available in various surface textures (knobbles, honeycomb, lines) as well as in type-dependent standard colours (white, grey and anthracite). Special colours are available on request.

The mats come in sheets (dimensions: 1130 X 600 mm), customise cut-to-size is available on request.
